

HIKING COSTUME SETS NEW FASHION FOR M. U. WOMEN

Now, when economy in dress—formerly so much discussed and so little practiced—is a question of vital importance to the nation, an innovator such as the new hiking costume, planned by the department of home economics of the University, deserves consideration; for, aside from the practicability of the dress, it is labor-saving and economical. It is made of khaki and consists of knickerbockers that button below the knee and a Russia blouse cut long over the hips. With it are worn ribbed stockings or puttees and heavy walking shoes of tan or black. High heels are tabooed.

The costume has been adopted by students of the home economics department. Fifty suits are being made. Many of the girls of the athletic department, and Miss Eva Johnston, adviser of Women, have also agreed to adopt it.

On May 12 there will be an inauguration hike. The length and the duration has not been decided. The only requirement for eligibility are enrollment in the University and the afore-said costume.

The loose and hygienic character makes the dress especially adapted for wear when doing housework, according to Miss Ethel Ronzone, in instructor in home economics, who thinks it superior to the overalls, now finding favor in the eyes of the housewife, because, being an adaptation of the standardized dress that has been so carefully worked out, it may come

into general use, which the other can never do.

Miss Ronzone hopes the women of the University will recognize the dress as a definite part of their wardrobe for walking and athletics.

CENTRALIA FIRE LOSS \$15,000

Sheriff T. F. Whitesides Rescues Telegraph Operator—2 Buildings Burn.

Fire in Centralia about 1 o'clock yesterday morning caused a loss of \$15,000. Baker's Drug Store and the office of the Centralia Telephone Exchange Company were completely destroyed.

The Exchange Company estimates its damage to be \$16,000, and the drug store about \$15,000. The loss on the building, which belonged to C. W. Settles, cashier of the Farmers and Merchants Bank of Centralia, amounted to \$4,000.

The fire started in the rear of the drug store, where paint and varnish had been stored. The cause is unknown. T. Fred Whitesides, sheriff of Boone County, rescued a telephone operator from the fire. He was returning from St. Louis and had left the station to call a friend from a nearby restaurant. When he took down the receiver he heard Miss Elberta Blanton, the telephone operator screaming "Fire." The sheriff rushed to the exchange office where he found Miss Blanton surrounded by flames lying across the switchboard trying to turn in the alarm. Her injuries are slight, and it is thought she will soon recover from the shock.

ENGINEERING SENIOR TO JAPAN

Alvin Accola Will Work for American Trading Company in Tokio.

Alvin J. Accola, a senior in the School of Engineering, has accepted a position in Tokio with the American Trading Company which has large interests in the Far East. He will sail some time in June for Tokio where he will work with R. F. Moss, a graduate of the School of Engineering in 1902, who has charge of the Trussed Concrete Steel Company whose products are sold by the American Trading Company.

Mr. Accola will go to New York immediately after graduation, to the

home offices of the trading company and from there to the plants of the steel company at Youngstown, Pa., and Detroit. He will probably sail from San Francisco on the Tenyo Maru about June 22 with Frank H. King, a senior in the School of Journalism who will work on the Japan Advertiser in Tokio.

Mr. Accola has been in the University for six years, receiving his A. B. degree in 1915. He is an assistant instructor in mathematics, a member of Phi Beta Kappa, Tau Beta Pi, honorary engineering fraternity and Sigma Chi.

By a majority of 736 votes Morris E. Dry of Mexico, Mo., a junior in the College of Arts and Science, was elected student president over John P. Collins for the next school year. Friday was a busy day for the school politicians. Supporters of Dry and Collins were everywhere in evidence as long as the polls were open. Voting began at 8:30 o'clock and for the first few hours neither candidate was sure of a lead. About noon, however, the Dry votes began to pile up until

er 1,546 legal votes were cast. There

were six unsigned ballots and 20 or 25 illegal votes," said Lue Lozier, present student president. "We had a complete list from the Registrar's office of all qualified students and cast out all ballots signed by persons who were not on this list.

DRY SUPPORTERS DINE

Newly Elected Student President Promises to Give His Best.

Sixty supporters and campaign workers for Morris Dry met at the Virginia Grill at noon yesterday at a luncheon in honor of the newly elected student president. Speeches were made by several of the men present. Asbury Roberts presided over the meeting.

Morris Dry thanked his friends for the support they had given him and promised to do his best to justify their expectations.

SPORT

Manager George Taylor's Columbia Browns showed unexpected strength on Rollins Field yesterday when they held the Hannibal Three-I Leaguers to a 10-inning tie. Rain stopped the game after each side had scored four runs.

Urie, pitching for Columbia, held the leaguers to three scattered hits and fanned eleven men. The four Hannibal runs were the result of errors.

Manager Castle batted for Bitterburg in the eighth, and Bierman went in to pitch for Hannibal. The Browns found him easy and by a combination of hits and errors, Taylor's men put four runs over.

Hannibal tied the score in the ninth by mixing two hits with Columbia errors. The teams struggled through another inning in a driving rain and Umpire Woody called a halt.

The score by innings:

R H E
Hannibal 0 0 0 0 1 0 0 1 2 0—4 3 4
Browns 0 0 0 0 0 0 0 4 0 0—4 8 4
Batteries: Columbia—Urie and Hubbard; Hannibal—Bitterburg, Bierman, Fuehr and Lingle. Umpire, Woody.

TIGERS DEFEAT AMES, 6 TO 2

Missouri Has String of Twelve Victories—Six in Conference.

The Tiger baseball team added their twelfth victory of the season when they defeated the Ames Cyclones 6 to 2 yesterday at Ames. Giltner, pitched a one-hit game and received good support in fielding and hitting. Missouri now has six conference victories, four against Ames. The other two games, played here, were close.
